b. Release of Intelligence to Foreign Governments (MCA-8/2).

(1) While recognizing that problems exist, it was decided not to issue the proposed DCI to USIB memorandum.

(2) General Allen was requested to draft a memorandum regarding distribution of sensitive material both abroad and domestically. Mr. Colby will raise this at an appropriate USIB meeting in the near future.

c. Central Storage and Retrieval of Sensitive Documents (MCA-38). Approved.

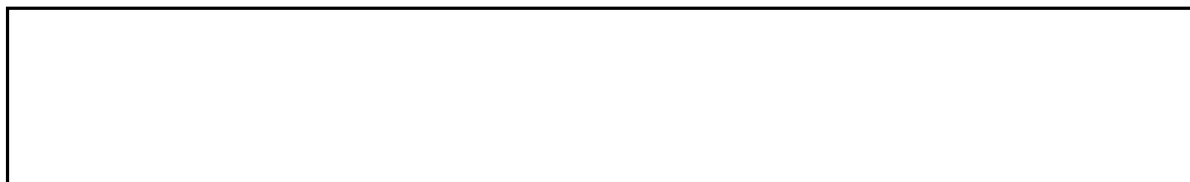

e. Andy Marshall's 21 May 1973 Memorandum (MCA-42). Discussion and action postponed.

f. ARPA Intelligence Analysis R&D Program (MCA-45). Discussion and action postponed.

g. Payment for Compensatory Leave to Saigon Personnel (No MCA number). Approved.

h. CIA History Program (MCA-55). Paragraph 3 in draft memorandum will be rewritten to give to the Deputy Directors, as well as the Director, authority to control Historical Staff access to Agency personnel and records. Action: DDM&S

j. Request from NSC Staff. Mr. Colby discussed a request from Brigadier General Scowcroft for a paper on Soviet motivations in the strategic forces area. Mr. Duckett proposed submission of the paper by 1 September.
